

Breast Cancer Support Group

Information and open sharing

3rd Tuesday monthly * 5:30 pm - 7:00 pm

Hobbs Pharmacy

133 N. Banana River Dr, Merritt Island

Would you like to get acquainted with other women diagnosed with breast cancer in Brevard County? Facilitated by a breast cancer survivor and social worker, this close-knit caring group discusses cancer-related questions and concerns and allows those affected by breast cancer to gain support from each other. Since 1993, the group has been supporting newly diagnosed and in-treatment patients, as well as longstanding survivors, through any stage of treatment or recovery. Caregivers are welcome as well. We meet the third Tuesday monthly, from 5:30 to 7:00 pm. Some months feature a guest speaker on complementary therapies or cancer/health related topics.
