

# Cancer Support Group

Cancer Care Centers of Brevard, Rockledge

Join us for information and open sharing as cancer patients, survivors, caregivers, and families of those affected by cancer get together for warm conversation and information sharing. Facilitated by Melisa, RN, we discuss cancer-related questions and concerns while gaining support, information, and resources from each other. This group is open to those affected by any type of cancer and in any phase of treatment and recovery. Some months will feature a guest speaker on cancer/health related topics or complementary therapies. Please watch our monthly calendar on our website at <https://compcancercare.org/events/>.
